Marie Rock – KOJB Program Manager

I have been in radio for 25 years – 12 years in the commercial market, and the last 13 years with KOJB public radio. I have been an Assistant Program Director, and Promotions Manager, and have worked in all shifts from overnights to morning show positions. I graduated in 2009 with a BS degree in Psychology from Bemidji State University. Prior to my position here, I worked as a Youth Counselor at Oshki-Manidoo Treatment Center in Bemidji for 1 year. I own a home in Cass Lake; I have lived there since 2016 with my husband of 20 years, my son, and my clowder of Maine Coons and Tuxedo cats. Life is good.

WAWAAZISII CLAN/LEECH LAKE MISSISSIPPI BAND PILLAGER

Working in radio periodically and in the music business for the past 25 years, I started my musical calling in the early 80's with rise of the Minneapolis sound initially, being casted as an extra in the movie Purple Rain prior to graduating high school. After that time, I became

familiar with all facets of the entertainment business by working in production, road and business management that traveled throughout the United States & Europe. I came to the Leech Lake Nation in the early 2000's working on numerous projects and was given the opportunity to hold numerous positions such as: Tribal Referral Director, Energy Assistance Director, and Tribal Development Director.

My goal as General Manager of KOJB is to provide Leech Lake Band of Ojibwe citizens and community member's quality programming that informs, uplifts, and entertains while providing a platform for our contemporary and traditional artists.
